- About me
- About My internship with Clevered
- About App
- How do I use the app
- Extra Information about the app
- Contact Person

# Acknowledgements

- A small vote of thanks for all who have helped you in this journey of App Development – My parents Efua and Frank, Mr Ken, Clevered, Mentors, Group Members, and Friends.

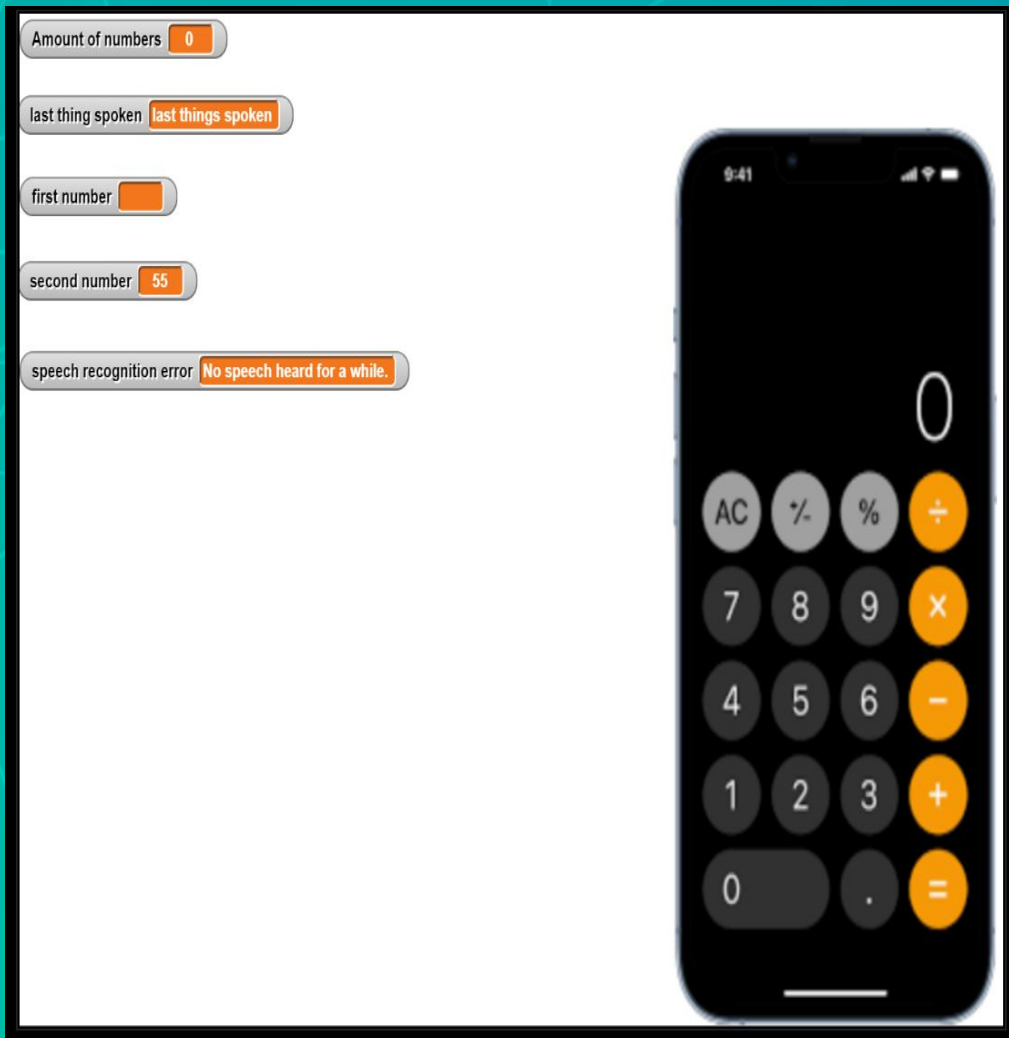

# About Me..

- My name is Beatrice I am
- 11 yrs old
- I am in grade 7
- I am in AIWZL311B

# About My Internship with Clevered..

- My experience has been good and I have learnt so many new things about coding. And I have learnt things on how to code with Snap... This has been an experience and I am forever grateful for this opportunity
- Badges Earned

# About App..

- My project is to create an interactive calculator that uses speech synthesis and speech recognition
- The talking calculator helps you to do your basic calculations without using your hands.
- The purpose of my project is to be able to use a calculator with barely and usage of hands
- My project is helpful so that people that don't have hands would be able to do calculations on a calculator

# **How do I use the App?**

**You first click on the green flag once you click on that the calculator will tell you the rest.**

# Extra Information about the app

- Please make sure you are connected to wifi at ALL TIMES
- The app may be slow so take some time and try repeating the numbers

# Contact Person

- Please reach out at [beatricebenson97@gmail.com](mailto:beatricebenson97@gmail.com) for any questions/ concerns/ suggestions on the App

**Thank you!**
